

THE ORGANIZATION

Founded in 1980 and based in Kamloops, British Columbia, Acres Enterprises (Acres) is a multi-disciplined civil, general and industrial construction and development company. Acres has provided integrated construction services to many large-scale construction projects.

Acres specializes in taking projects from conception to completion and has remained successful in a dynamic market by adapting their delivery model to suit each client. Their reputation for professional service has been built upon Acres' consistent ability to deliver quality projects safely while managing both costs and schedule to plan.

Acres team of diversified, tech savvy, construction professionals continually challenge the status quo; innovating around traditional challenges to create opportunities, leveraging new technologies to achieve continuous advances in construction practices.

Acres employs up to 150 industry-specific professionals, gold-seal certified superintendents and foreman who ensure quality work and exemplary service is underpinned by professional processes that support meeting project milestones, budgets and client needs.

THE SERVICES

Over the last 30 years, Acres has developed a team of highly trained and experienced professionals that provide project management and construction services in the following sectors:

- Civil Contracting
- Heavy Industrial
- Light Industrial
- General Contracting
- Commercial

Acres Enterprises structures its business into three core departments: General Contracting, Civil Contracting, and Industrial Contracting. This multidisciplinary structure allows for seamless cross utilization of resources through all service sectors. Clients find significant efficiencies in using one company with diverse in-house expertise through all development and construction phases of their projects.

THE CITY

Kamloops is the third largest city in British Columbia outside of the Lower Mainland and is the transportation hub of B.C.'s southern interior. The city and its surrounding area offer an abundance of economic, social, and lifestyle assets. With a population of approximately 100,000, Kamloops offers all the amenities of a larger centre while maintaining the family- friendly atmosphere of a small town that embodies relaxed western hospitality and is only 3.5 hours from Vancouver.

With over 2,000 hours of sunshine each year, all Kamloops' seasons are perfect for enjoying the outdoors. Spring starts early to the delight of golfers and boaters. Summer is hot and sunny, with warm days extending well into autumn.

Whether you prefer adrenaline-charged excitement or more laid-back pursuits, you'll find unsurpassed opportunities to pursue outdoor passions. Nowhere else will you find championship golf courses, renowned mountain biking trails, world-class skiing, dozens of lakes for fishing and boating, and more—all within 45 minutes of downtown.

The City of Kamloops and surrounding region enjoys a diverse economic base. From well- established firms and services to high-tech, health care, industrial, mining, and exemplary post- secondary institutions, there are many industries and opportunities in the Kamloops region.
