

PROFESSIONAL CONSTRUCTORS

Sheldon Staehli Award

Sheldon Staehli was an Acres Employee from 2010 until his passing in 2017 and is sadly missed by all that had the opportunity to get to know this quality young man. Sheldon is remembered as a hardworking, loyal, dedicated co-worker and friend.

In memory of Sheldon and with his dad's blessing, the "Sheldon Staehli Award" is given to any employee who has demonstrated our core values above and beyond normal expectations and is often defined as "going the extra mile". This award recognizes employees who have gone above and beyond their regular assignment in specific and recognizable ways. The staff member may have demonstrated a combination of our core values:

ambitious – energetic, hardworking professional dedication

competent – consistent high quality workmanship

respectful – honesty, fairness, integrity and respect

engaged – going above & beyond for each other, our clients and the company

supportive – building a culture of loyalty and positive team work

This award is intended to provide a forum of recognition for the high quality work and dedication of our employees which Sheldon was well known for. Any staff member can nominate any other staff member by sending an e-mail to hr@acresenterprises.com with a couple sentences describing which core value(s) was/were demonstrated. As a token of our thanks, recipients will receive a \$10 coffee card.
